**Presentations:** Please prepare short flash talks of 15 minutes. For each talk, we have scheduled an extra 5 minutes for clarification questions and transition from one speaker to the next. In your talk, focus on giving everyone an idea of what you are currently working on and what you are grappling with. Your talk should provide a good foundation for going into more detail during the academic hike, during which you will have the opportunity to discuss specific questions, ask for feedback, etc.

**Hiking:** This will be a rather leisurely walk, but we will cover some distance, so be sure to bring appropriate footwear, water and maybe a snack if your blood sugar drops as quickly as mine. As long as there is only a light drizzle, we will walk regardless – in which case a raincoat might come in handy, too. If it rains badly, we have prepared an indoor alternative.

**Travelling from Hamburg:** RE3 82115 (towards Uelzen) leaves at 8:57 am from Hamburg Hauptbahnhof. From Lüneburg Hauptbahnhof you can take the bus or a DB Bike to campus. You will arrive on Campus by 9:55 am latest.

**Online participants:** Upon request, we will open a Zoom room on the presenter laptop for the first part of the workshop (10:00-12:40 am) and share slides during the presentations. The audio quality might not be amazing. If you would like to participate online, please notify [luise.goerges@leuphana.de](mailto:luise.goerges@leuphana.de).

Luise Görges is inviting you to a scheduled Zoom meeting.
